Apogee Indigo allows its partners to earn revenue on their customers' dining, attractions, entertainment, nightlife and shopping during the duration of their trip and future trips for years to come.

Apogee Indigo offers benefits to partners' customer base with savings and rebates. Partners will earn revenue shares on every transaction generated by members through their marketing efforts.

By offering your customers the great savings benefits of Apogee Indigo your business will get a percentage of Apogee purchases. Online travel, hotel sites, cruise lines and other related businesses are able to provide dining, shopping, and entertainment savings to their customers and capture revenue that otherwise would get away. Everybody wins and travels happily ever after.
